BECOME OUR PARTNER!

*We are bridging the global and regional
startup ecosystems with a massive impact in the
European Adriatic & Balkan regions*

CONNECTING GLOBAL MINDS AND LEADERS WITH THE BEST THAT THE REGIONAL STARTUP ECOSYSTEM HAS TO OFFER!

PODIM is the biggest and most influential startup conference in the European Adriatic & Balkan regions!

It is the only event that annually gathers the most brilliant startup stakeholders from these regions in one place and connects them to the global ecosystem.

“ I judge a startup event on three criteria.
A - the quality of the startups attending.
B - the quality of the peers or speakers I can network with.
C - the quality of the organization of the event.
I can honestly say that PODIM 2017 scored at the absolute TOP at all three criteria!

Investor and author of *The Startup Funding Book*, Copenhagen (Denmark)
